

Supplemental Questionnaire for International Applicants

International students enrolling in our school for more than one year must go through a special admissions process and be able to pay the full international student tuition up front.

Participation in our international student program (ISP) requires additional interviews, a commitment to participating in both the ISP program and the Summerfield community, and for 7th -12th grade applicants, a minimum TOEFL score.

Relationship to Waldorf Education

Please describe your relationship to Waldorf education and why you would like to attend our School:

What are your goals for participating in a Waldorf School?

Previous Education

Please describe any English speaking environments that you have participated in, for how long, and how comfortable you were in that environment:

Do you plan to go to a US college or university? Do you need to receive credit for your high school work?

If you were participating in a class play, would you be more comfortable with a very small role, a medium role, a lead role, a stage hand, or a stage manager?

Who would you be living with while attending Summerfield and what is your relationship to that person?

How will your parents support you—socially, emotionally, and financially—while you attend Summerfield?
