Short Term International Student Application

Thank you for applying to Summerfield as a short-term International Student (this is a student who is not doing an exchange and who would like to come to Summerfield for less than one year to study English and experience a Waldorf school in the United States).

Please submit this application to the Admissions Office. After a review of the application, a personal interview will be scheduled with the student, parents/guardians and members of the school faculty. This is an opportunity for you to ask questions. After the interview, a decision notification will be sent to you. Do not book a flight or make visa arrangements prior to receiving a confirmation from Summerfield about your acceptance to the school and completing all of your paperwork. Questions along the way should be directed to admissions@summerfieldwaldorf.org.
