## **Orientations Postponed**

Dear Lower School Families,

We are sad to inform you that we will not be holding the planned orientations on campus this week due to the air quality, as well as families impacted by evacuations and power outages.

We will look towards rescheduling orientations at a later date when it is safe to do so.

As already planned, 1st-4th grade will not be starting at home learning this week. We will let you know by the end of the week what the plan is for Monday, Aug. 24th.

5th-8th grade will start at home learning this week. This may look different these next three days for each grade now that things changed suddenly, you will hear directly from your teacher about this.

Please stay healthy and safe, and reach out if there is any way we can help you right now.

In hopes of seeing you soon,  
Lower School Core Group
