

Waldorf WALL CALENDAR 2023

2023 Summerfield Waldorf Wall Calendar

One of almost 1,200 Waldorf schools worldwide, Summerfield Waldorf School & Farm was founded in 1974 in beautiful Sonoma County, Northern California.

May this Arts Calendar bring imagination to your days and inspiration and hope from the Summerfield Waldorf community to all communities going into 2023.

This 15-month calendar spans January 2023–March 2024, and showcases student work in the fine arts from kindergarten through high school at Summerfield Waldorf School & Farm, illustrating how art is integral to the Waldorf curriculum. Each grade is represented throughout, while the comprehensive introduction gives a picture of the richness and depth of the Waldorf curriculum.
