admissions@summerfieldwaldorf.org

Thank you for your interest in Summerfield Waldorf School & Farm! Parents are invited to attend a *Walk through the Grades* group tour, join us for an early childhood open house event, attend Waldorf pedagogy information evenings, or schedule a private tour of the campus and farm. All outreach events include an introduction to Waldorf education.

### How to Apply to Summerfield Waldorf Preschool and Kindergarten:

Submit completed application materials to the Admissions Office.

### How to Apply to Summerfield Waldorf School and Farm

**Step 1:** Print and fill out the Application document;

**Step 2:** *Optional:* Parents are invited to include a note commenting on the nature and personality of their student;

**Step 3:** Submit to the Admissions Office:

- the completed application document;
- a current photo of your child;
- a \$95 Application Fee. Pay online on the *Apply Now* page of [www.summerfieldwaldorf.org](http://www.summerfieldwaldorf.org) (by ACH\* or Credit Card), or in person. ***\*ACH, check or cash is the preferred method of payment so your entire fee goes to the school rather than a portion being paid to the credit card companies.***

**Interview Process:** Once the early childhood faculty has reviewed your application, your family will be contacted for an interview. Interviews are conducted by an early childhood teacher with the parents and the child present.

**Acceptance:** We do not test incoming children. Acceptance is based on the school's ability to meet the child's needs as determined through the application and interview process and the availability of openings in the preschool and kindergarten.

**Financial Assistance:** Financial Assistance is available for five-day Kindergarten only. Beginning December 1 of every year, one may apply for financial assistance via Summerfield's website at [www.summerfieldwaldorf.org](http://www.summerfieldwaldorf.org). Under the QuickLinks section of the website, parents will find the detailed instructions and relevant links needed to apply for financial assistance.
