Other Costs

Application Fee: A non-refundable fee of \$150 per child must be submitted with each application for new enrollment.

Sibling Discounts: Sibling discounts are available as follows for Kindergarten through 12th grade: 5% of tuition per child for 2 children; 10% of tuition per child for 3 or more children.

Annual Giving Campaign: Summerfield's financial structure incorporates a planned gap between tuition and the actual cost of this education. That gap is intended to be covered by our Annual Giving Campaign. This gap can be covered if each family contributes 10% of their annual tuition (the same as one month's tuition payment) as a tax-deductible donation. A donation to our Annual Giving Campaign may be included in your monthly FACTS payment, paid by check, cash, stock, or as a pledge payable in installments. In addition, we encourage all families to convert their sibling discounts to an Annual Giving Campaign pledge at the time of enrollment or re-enrollment. We recognize 10% of tuition is not feasible for all families—any contribution is greatly appreciated!

After-School Program: After-school care is offered from 1:00-5:30pm for students in Kindergarten - 8th grade. A registration form with a daily schedule, costs, and payment instructions can be accessed through online enrollment.

Miscellaneous: These may include instruments and music lessons, field trips, after-school activities, sports teams, and high school elective choices. Teachers may also recommend tutoring, external consultations or services at parents' expense.
