Other Costs

Annual Giving Campaign: Summerfield's financial structure incorporates a planned gap between tuition and the actual cost of this education. That gap is intended to be covered by our Annual Giving Campaign. This gap can be covered if each family contributes 10% of their annual tuition (the same as one month's tuition payment) as a tax-deductible donation. A donation to our Annual Giving Campaign may be included in your monthly FACTS payment, paid by check, cash, stock, or as a pledge payable in installments. In addition, we encourage all families to convert their sibling discounts to an Annual Giving Campaign pledge at the time of enrollment or re-enrollment. We recognize 10% of tuition is not feasible for all families—any contribution is greatly appreciated!

After-School Program: After-school care is offered from 1:00-5:30pm for students in Kindergarten - 8th grade. A registration form with a daily schedule, costs, and payment instructions can be accessed through online enrollment.

Miscellaneous: These may include instruments and music lessons, field trips, after-school activities, sports teams, and high school elective choices. Teachers may also recommend tutoring, external consultations or services at parents' expense.

Financial Assistance

In an effort to keep our community socio-economically diverse, we strive to accommodate all requests for financial assistance. We award approximately 50% of our families with about \$1 million in assistance each year. Award amounts are based on assessment of a family's financial picture, including income/expenses, assets, family size, and other factors. Our Financial Assistance Committee reviews all applications and makes financial assistance award decisions annually. Beginning December 1 of each year, one may apply for financial assistance via Summerfield's website at www.summerfieldwaldorf.org under the Admissions tab. For those who are applying, financial assistance grants are usually announced in conjunction with decision letters.
