Dear Summerfield Community,

The Sonoma County Office of Education has announced that distance learning for all local districts will continue for the rest of the school year. As this is directed by the County Department of Health for our safety, Summerfield will comply with this policy. We will reconsider this decision if the guidelines from County Health change before the end of the year.

Summerfield's learning from home program will resume on Monday, April 6th. You should have received schedules and instructions from your teachers. Decisions about postponing, cancelling or holding on-line versions of end-of-the-year events will be forthcoming.

With respect for all everyone is doing for the children's education in these times,

The Governance Council  
Ignacio Garat, Jason Gross and Rachel McGargva
