

Summerfield

WALDORF SCHOOL AND FARM

Early Childhood through High School • Established 1974

Dear Summerfield Community,

We are happy to report that our waiver application is being recommended by County Health to the State for approval. At this time we are waiting to hear from the State. If they approve, we must wait 14 days from that point to begin on campus learning for grades 1-6. Our waiver application is on the school website, if you are interested.

We are considering a hybrid model for grades 1-6, meaning partial day on campus, so that we can have the upper grades, 7-12, on campus under small group protocol in the afternoon period to support their distance learning.

We will keep you posted,

Ignacio Garat, Rachel McGarva and Jason Gross,
The Governance Council

655 Willowside Road
Santa Rosa, CA 95401
