

Governance Council Update 8/15/20

Dear Summerfield Community,

Steve Herrington, Superintendent of School for Sonoma County, met with the County Council and Dr. Mase, and they announced late yesterday that due to rising virus case numbers, lack of testing, and slow turnaround time for results, new protocols will be coming soon.

We will begin with the school year as announced - learning from home for Lower School and High School next week with orientations as scheduled; ECE and Farm Class-Camp also as scheduled. Our decision on camps will need to wait for the new protocols.

We are prepared for learning from home and the return to campus, when possible. Please see the video attached to take a short tour of our outdoor class spaces.

Ignacio Garat, Jason Gross and Rachel McGarva, The Governance Council
