Dear Summerfield Community,

Here are a few updates, reminders and a haiku:

- School is now on Spring Break until learning from home resumes on Monday, April 6th.
- The County has announced that schools are planning distance learning through May 1st, reassessing in mid-April. Summerfield is doing the same.
- If you have questions, use our usual communication protocol. Your first point of contact should be:
  - Questions on Learning from Home (Distance Learning): Start with your child's teacher in ECE and Lower School, and the Main Lesson teacher in High School; if you need more help or clarity, contact the appropriate Core Group.
  - Financial Questions: The Finance Office; contact [lisa@summerfieldwaldorf.org](mailto:lisa@summerfieldwaldorf.org).
  - Overall school matters: The Governance Council at [governancecouncil@summerfieldwaldorf.org](mailto:governancecouncil@summerfieldwaldorf.org).
